VELANDSBAAI

“You learn alot when you’re
barefoot. The first thing is,
every step you take is
different.”

MICHAEL FRANTI

KAALVOET

Kaalvoet was established in 2020 in the heart of Elands Bay on the West coast of South Africa. Our designs are unique and represent a style of class, yet rustic for the tourist and locals of the West Coast, especially our surfers.

We are growing Kaalvoet for all South Africans to join the family of our brand and to have the feel of being in Elands Bay wherever you go!
